WE PURCHASES HOMES IN ANY CONDITION

8005 WOODHUE ROAD Dallas, TX 75228 214.599.0202

This home has been professionally remodeled with new carpet, new cabinets, fresh paint, new stainless steel appliances, new sinks, and even an antique claw foot tub! Call today for more information. Realtors are always welcome.

A wall separating the kitchen and living area has been removed to provide more natural light and a cozy feel. The French doors lead to the master bedroom suite. Notice the custom bookshelves and built-in entertainment center.

Matching ceramic tile has been installed throughout the house in the kitchen, bathrooms, shower, entry hall and covered porch. The entire kitchen is brand new and been completely modernized with new cabinets, countertops and stainless steel appliances. A huge pantry with full size washer / dryer area have also been added. The master bath has been enlarged and now features beautiful his & her pedestal sinks, antique claw foot tub and glass block window to provide light and privacy.

The master bedroom has a private fireplace and access to the rear covered porch. The closets have been enlarged and feature built-in custom closet organizers. Notice the shine of the professionally refinished hardwood floors in the dining room. The same hardwood floors extend into the hallway and 2nd bedroom.
